

# MASE/MAPSS Annual Field Day

## Registration

September 26, 2024 - Wayne

MASE is pleased to announce final details for our joint annual field day to be held on September 26th in collaboration with the Maine Association of Professional Soil Scientists (MAPSS). We are holding the event at the Stevenson Farm in Wayne this year and hope to have an excellent turnout. The MASE Board and many other volunteers have stepped up BIG time to facilitate the field exam this fall while Brent is still healing up. To those who have increased their commitment MASE to facilitate this event.....

# THANK YOU!!!

We hope you will join MASE/MAPSS for some test pit reviews along with donuts, coffee, and a plenty-o-pizza lunch.

The MASE/MAPSS field day will be held on September 26th at Stevenson's Farm, at 271 Tucker Road, Wayne.

The field day consists of independent reviews of several test pits that will be followed up with lunch, a presentation, and a group "discussion". Maps of the test pit locations and blank test pit logs will be handed out at the registration table this year.

Please register online <https://forms.gle/rUvs3pbEUNbUQMA8> and pay through PayPal <https://www.paypal.com/paypalme/MaineSiteEvaluators/30>, or bring cash or check to the event for payment. Attendance certificates will be provided at the event. Any questions please contact Dale Knapp, Executive Director ([maseexecutivedirector@gmail.com](mailto:maseexecutivedirector@gmail.com)) or Natalie Curry, Treasurer ([ncenvir@gmail.com](mailto:ncenvir@gmail.com)) directly.

The presentation after lunch will be led by MASE President Joe Stevenson, with support from Dale Knapp, Doug Coombs, John Gomez, Tina Lemieux, Eric Whitney, Glenn Angell, Alex Pugh, Rod Kelshaw and more!

So come one, come all and get those continuing education credits!!
